**TQ.PHULAMBRI DIST. AURANGABAD**

---

**GREEN CAMPUS PROGRAMME /TREE PLANTATION**

Rajarshi Shahu Arts Commerce and Science College is having excellence potential and being a social responsibility the department of botany department of NSS and tree plantation committee planted 1000 trees around the college campus in the year 2018-19 during the academic year.

The college has taken efforts for conservation of trees by giving their drip irrigation and providing the water facility throughout the year and now from that thousand trees 956 trees are alive and college has going to plant another hundred trees in the upcoming year and the committee has conserve the trees as the social responsibility towards the nature in that maximum trees are indigenous and they are very much familiar to this environment and they need less amount of water along with we also planted a medicinal plant in botanical garden in that we have planted near about 100 species which are having medicinal use and which is helpful for study B.A., B.Sc. , B.Com students to learn about the medicinal plant and their uses beside this the botany department will run certificate course gardening student take care of this all plants which are planted around the college campus.
